FALL OF 1898

To My Friends and Patrons

THE FALL OF 1898

IMPORTANT.—Write your name and address plainly. Always give shipping directions—whether by freight or express—and name of freight or express office. If directions are not given, we will use our own judgment.

NO CHARGES ARE MADE FOR PACKING, ETC., and in having it done, we endeavor to look after the interests of the purchaser, and have plants and trees packed as lightly as is consistent with their safe transportation. All goods will be delivered free at our railroad or express offices. **Our prices are f. o. b. at Moorestown.**

PRICES AND QUANTITIES.—Our prices will be found, upon examination, to be about as low as reliable plants of the different varieties can be offered for. **Those contained in this Catalogue abrogate all other prices that have been previously published or quoted.**

TERMS CASH.—Our terms are cash with order. As an inducement to send cash, we give you the benefit of the low prices named in Catalogue. If desired, goods can be sent C. O. D. (by express only), provided 25 per cent of the amount of the bill is enclosed with the order as a guarantee of good faith. Remittance may be made by post office order on Moorestown, N. J. (not Morristown); or by check or draft on New York or Philadelphia, made payable to our order, or by registered letter. Postage stamps can be sent for fractions of a dollar.

OUR GUARANTEE.—We wish it distinctly understood that although we continue to take all possible care to supply good, healthy, thrifty trees and plants, true to label, and hold ourselves in readiness to replace all stock that may prove untrue to label, free of charge, or refund the amount paid, we will give no warranty, expressed or implied, as to productiveness or any disease that may develop after shipment in any of the trees and plants we send out, and will not be in any way responsible for the crop. Every order received for articles named in the Catalogue will be executed on these conditions only.

CLAIMS, if any, must be made within ten days after receipt of goods.

NO SAN JOSÉ SCALE.—Each shipment will be accompanied by New Jersey State Entomologist's Certificate.

THE JERSEY RED SWINE ARE STILL IN THE LEAD

And will continue to be, because of their good qualities. I take great pleasure in offering to the public my celebrated Pure Jersey Red Swine, and do so with the full assurance that they are superior to any other breed when bred pure, and will improve any other breed with which they are crossed. This breed of swine varies somewhat in color—fine, light sandy to dark red. **They are very hardy.** Pigs grow very fast when young, and will fatten at any age, producing the finest quality of meat. The Jersey Red Pigs are the best hogs a farmer can raise. We have had them to have fifteen pigs at one litter, and raise them all. Jersey Red Pigs attain heavy weights at small cost.
